Integrated Data Consulting, LLC's – Jeff Filippi - Featured Presenter at IDUG 2007 – North America

Integrated Data Consulting, LLC is pleased to announce that Jeff Filippi (President) will be a featured speaker at **the premier user-run educational forum for IBM database technology users**, IDUG 2007 – North America, May 6-10, 2007 in San Jose, California.

Filippi's session, "Informix SQL Performance Tuning Tips", is one of more than 200 education sessions offered at the IDUG 2007 – North America. Speakers were selected from a competitive pool of hundreds of submissions by some of the most talented minds in the DB2, Informix, and IMS communities.

Attendees of IDUG 2007 – North America will have the opportunity to attend sessions presented by the International DB2 Users Group (IDUG) and International Informix Users Group (IIUG). Network with fellow DB2, Informix, and IMS professionals and explore the Products & Services Exhibition for the latest technologies from leading industry vendors. New this year, visit the IBM Silicon Valley Lab during the Speaker/IBM Developer Reception on Wednesday, May 9.

For additional information about IDUG and its educational and membership offerings, please visit the IDUG Web site at www.idug.org. To learn more about IDUG 2007 – North America and to register, please visit www.idug.org/sanjose2007.
