**Integrated Data Consulting, LLC's
Jeff Filippi
Featured Presenter at 2012 IIUG Informix Conference**

Integrated Data Consulting, LLC is pleased to announce that Jeff Filippi (President) will be a featured speaker at **the premier user-run educational forum for IBM Informix database technology users**, 2012 IIUG Informix Conference April 22nd -25th in San Diego, California.

Jeff Filippi's session, "Informix SQL – Using New Features", is one of many education sessions offered at the 2012 IIUG Informix Conference. Speakers were selected from a competitive pool of hundreds of submissions by some of the most talented minds in the Informix community.

For additional information about IIUG and its educational and membership offerings, please visit the IIUG Web site at www.iiug.org. To learn more about 2012 IIUG Informix Conference and to register, please visit www.iiug.org/conf/.
